BEFORE YOU BEGIN

This workbook is your 30-day companion for taking control of your money. Whether you're starting from scratch or resetting after a rough month, each page gives you a clear, honest look at where you stand — and a simple system for moving forward. You don't need to be perfect. You just need to start.

How to Use This Workbook:

- ☐ Complete the Financial Starting Point on Day 1 — knowing your numbers is step one.
 - ☐ Use the 30-Day Tracker to build a daily habit of reviewing your budget or logging a transaction.
 - ☐ Return to the Monthly Review at the end of each month to reflect and reset your goals.
