WELCOME TO YOUR 30-DAY MONEY RESET

You do not need 90 days to start getting clear on your money.

You need 30.

This workbook is a focused reset — a no-fluff, no-overwhelm way to snapshot your finances, build a real budget, set savings goals, and face your debt head-on. All in one month.

No perfection required. Just honesty and a pen.

Let's get clear.

"Budgeting is not a punishment — it's a plan that gives your money a purpose." — MyClearBudget™

SECTION 1
